#### Halloween Safety:

- Slow down and be alert. Kids are excited on Halloween and may dart into the street.
- Remind kids to cross the street with a parent or adult at corners or crosswalks.
- Carry glow sticks or flashlights, use reflective tape or stickers on costumes and bags, and wear light colors to help kids see and be seen by drivers.
- Join kids under the age of 12 for trick-or-treating.
- When selecting a costume, make sure it is the right size to prevent trips and falls. Choose face paint over masks when possible. Masks can limit children's vision.
