SEPTEMBER

Parents and Students, grab your boots and pack your curiosity — we're heading down to the farm this September! Our classroom will be buzzing with excitement as we explore all things apples, barns, and friendly farm animals. From apple-print art to barnyard sing-alongs, your little farmers will be busy learning through play every step of the way!

September is the perfect time to celebrate the changing seasons, harvest time, and the joy of working together — just like on the farm. We can't wait to see our preschoolers grow as they dig into hands-on activities, fun farm facts, and sweet classroom memories.

Friendly Reminder

- **School is closed on Monday September 1st in the observance of Labor Day.**
