

School News

November

Parents and Students,

Bundle up and bring your thankful hearts – November has arrived! Our classroom will be full of gratitude, friendship, and fall fun as we explore the beauty of the season. From learning about turkeys and harvest time to creating cozy crafts that celebrate thankfulness, your little learners will be busy discovering all the special things that make November shine.

This month, we'll talk about what it means to be thankful, share stories about family and friends, and enjoy hands-on activities inspired by the changing season. We'll also celebrate how kindness and teamwork make our classroom community stronger every day. As the days grow cooler and the holidays draw near, we can't wait to see our preschoolers learn, laugh, and grow through every joyful November moment.

November Family Fun Activities

Celebrate thankfulness and togetherness with these cozy ideas:

- Make a **thankful tree**—write what you're grateful for on paper leaves.
- **Bake together**—try pumpkin muffins, cornbread, or apple crisp.
- Go on a **nature walk** and collect fall treasures.
- Create **handprint turkeys** or leaf rubbings for festive art.
- Read **Thanksgiving or friendship-themed books** together.
- Have a **family kindness day**—do something nice for someone else.
